History :

Union Bank of India was established on 11th November 1919 with its headquarters in Mumbai. It was promoted by Seth Sitaram Poddar.

The Head Office building of the Bank in Mumbai was **inaugurated by Mahatma Gandhi**, the Father of the nation **in the year 1921**, and he said on the occasion:

"We should have the ability to carry on a big bank, to manage efficiently crores of rupees in the course of our national activities. Though we have not many banks amongst us, it does not follow that we are not capable of efficiently managing crores and tens of crores of rupees." His prescient words anticipated the growth of the bank that has taken place in the decades that followed.

CORPORATION BANK.

INTRODUCTION

Cooperation Bank came into being as Canara Banking Corporation (Udupi) Ltd. on 12th March 1906, in the temple town of Udupi, by the pioneering efforts of a group of visionaries. The bank started functioning with just Rs. 5000/- as its capital and at the end of the first day, the resources stood at 38 Rupees - 13 Annas - 2 Pies.

In 1939, the bank's name changed from Canara Banking Corporation (Udupi) Ltd., to 'Canara Banking Corporation Ltd.' and strongly put forth its vision with the motto: 'Serve Janah Sukhino Bhavanta'. The second change in the name of the bank occurred in 1972, from 'Canara Banking Corporation Ltd.' to 'Cooperation Bank Ltd.' and finally 'Cooperation Bank' following its nationalization on 15th April 1980.

A big leap to the big league :- As on 30th Sep 2017, the total business of the bank was Rs. 3,29,300 crore. The total stood at Rs 2,01,488 crore. Presently the bank has a network of 2501 fully automated CBS branches, 3169 ATMs and 4724 Branchless banking units across the country. The bank has representative offices at Dubai and at Hong Kong.

Cheques are the Backbone of the Banking Industry and is still a very important negotiable instrument in the country. Each cheque comes with a cheque number. A blank cheque or cheque carte blanche in the literal sense is a cheque that has no monetary value written in, but is already signed. It is used to describe a situation in which an agreement has been made that is open-ended or vague and therefore subject to abuse or in which a party is willing to consider any expense in pursuance of their goals.

EDUCATION LOAN

FD Chanal

FDR or a fixed Deposit Receipt is a document that is given by the bank or a Company to the depositor on booking a fixed Deposit. Just like a shopkeeper given a bill (invoice) on buying something from the shop FDR is also like a bill in which all the important details about the fixed deposit made are mentioned.

* At the time of renewal - In the case of an offline FD, the depositor may be asked by the bank to surrender the FDR so that the existing FD can be renewed for a new tenure & a new receipt be issued.

* for Premature withdrawal - In case the depositor wishes to withdraw funds before the maturity date, they will be required to produce FDR as the proof of ownership.

* To get a loan against FD - To address a cash crunch, depositors can apply for a loan against their fixed deposit at lower interest rates than an unsecured loan. To do so, they are required to deposit the FDR as alien to the bank for the term of the loan. Once the loan is repaid, FDR is returned to the depositor with the updated details.

A fixed Deposit Receipt is proof that the depositor has kept a certain amount for a specified time period at the prevailing fixed rate of interest locked in the bank. This receipt or document contains every single detail of the scheme. The contents of the fixed Deposit Receipt have been mentioned below:-

* Declaration by the bank

* Name & age of the depositor

* Account number linked to the FD.
